

# THE CHRISTMAS ADVENTURE AT STOCKELD PARK

## Design a Sculpture

Announces its amazing 'Design A Sculpture' competition 2011.

We encourage children to draw a design for a sculpture to be included in our magical Enchanted Forest or our Snowflake Maze.

Each year we pick an original drawing and our artists bring it to life ready for unveiling the following season. We present the winner with £500 for their school or group (such as Brownies or Scouts) and offer a free visit to the Enchanted Forest for their class or group.

In previous years our winners submitted drawings which inspired the creation of our fabulous Talking Tree, our grimacing Ogre and our Illuminated Merlin the Wizard.

Entrants must be under 16, designs should be no larger than A4 and sent to The Magical Sculpture Competition, The Estate Office, Stockeld Park, Wetherby, LS22 4AW

*Win £500  
for your school  
or group.*

Last year's winner was Annabelle Crosby-Stewart from Darlington. She impressed the judges with her original Children of the World design which is a globe balancing on a hand.

*Write your name, age, school/group title and address on the back of your drawing. Drawings cannot be returned.*
